

We are grateful for all the men and women who serve our country in the U.S. Armed Forces, and we were thrilled to hear that Maj. Beall enjoyed our pecans and was kind enough to share!

To the Team at Indianola Pecan House,

I just wanted to write and say thank you for your wonderful products. My wife was recently visiting family in Mississippi, and visiting our alma mater of Mississippi State University, when she stopped by one of your shops and sent several types of pecans out to me. I've been here in Iraq for almost two months as part of the 1st Armored Division, and getting proper Mississippi pecans was truly a blessing. I've been able to share a part of my home with British, French, Spanish, Australian, Canadian, Iraqi, Danish, Finish, and German partners. My favorite part is how polite they all are. They'll take only one pecan, but I just hold the package patiently, because as soon as the taste hits them, they inevitably reach for more. :) Thank you for what you do. It has been great to enjoy and share some of my home with so many others.

Very Respectfully,
MAJ Matt Beall
